### Legislative & External Affairs

- The Office of Legislative and External Affairs (OLEA), in coordination with CDPH and CHHS, has set a schedule of Elected Officials' Briefing calls for local, state, & federal elected officials & tribal leadership as follows: 1) Monday, Wednesday & Friday (1300 target) for state & federal elected officials & tribal leadership; and 2) Tuesday & Thursday (1600 target) for select local elected officials in conjunction with League of California Cities (League) and the California State Association of Counties (CSAC).

### Joint Information Center (JIC)

- On Wednesday, March 11, CDPH provided a News Release: State Health & Emergency Officials Release Guidance to Prepare and Protect Homeless Californians and Service Providers from COVID-19.
- CDPH received and responded to multiple media inquiries on COVID-19, including the state's testing capability; guidance for schools, large gatherings, and self-isolation; latest numbers of confirmed cases and people being tested; technology being used to track the spread of coronavirus; age range and county of confirmed cases in California; and the status of the passengers from the Princess Cruise ship.

### Office of Tribal Coordination

- NSTR

### Access and Functional Needs

- OAFN partnered with CDPH to develop new guidance for individuals with access and functional needs, which addresses the needs and prevention measures of individuals, caregivers, adult day programs, health programs, and staff. This guidance is available at: <https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/COVID-19/guidance-for-individuals-with-access-and-functional-needs-03122020.pdf>

## Coronavirus Disease 2019 (COVID-19)

Report Date:

3/13/2020

Report Time:

### International Affairs (IA)

- NSTR

### Emergency Support Function – 1 (Transportation)

- Advance Planning COAs - Transportation
  - Measuring impacts to regional transit partners as well as COOP/COG reviews to ensure transportation services can still run. (this includes local/RT, Rail, bridges, etc.)

### Emergency Support Function – 5 (Emergency Management)

#### California Governor's Office of Emergency Services (Cal OES)

The Cal OES State Operations Center (SOC) activated at a Level 1 on March 6, 2020 at 0700 hours in support of the California Department of Public Health Medical Health Coordination Center (CDPH MHCC).

### Sheltering/Housing Task Force

- Advance Planning COAs - Sheltering/Housing for Social Distancing
  - Awaiting discussion of impacts of congregate housing during upcoming wildfire season

### Schools Task Force

- The Schools Task Force conducted a conference call on March 12, 2020 and will continue to meet virtually on Tuesdays and Thursdays at 1330 hours. Common issues raised include:
  - There are licensing issues and unplanned expenses/fees when expanding online learning that colleges/universities are working through.
  - There are questions regarding relaxing or waiving 508 accessibility standards for web sites. Meeting these standards may slow the progress with transition to online courses.
  - Difficulty in procuring sanitizers and wipes.
  - Hospitals are excluding nursing students from clinical rotations, which can interfere with students' ability to meet Board of Registered Nursing requirements for on-site clinical experience. Colleges will contact Board of Registered Nursing for possible flexibility to allow more simulated hours. California colleges supply approximately three quarters of the nurses in the state.
  - Currently colleges are not closing residential halls since campuses are still open for labs and support services.
  - Colleges are taking a huge financial hit with cancelling travel and academic programs along with arena or event center cancellations.

#### California Department of Education (CDE)

- Beginning Monday, March 16, 2020, more than two million students will be impacted by school closure across the state.
- The following counties have announced that all schools will be closed as of March 16, 2020: Marin, Sacramento, Santa Barbara, Santa Clara, Solano, and Ventura.

#### School Closures as of March 13, 2020:

County	Number of Students Impacted
Alameda	3,990
Calaveras	244
Contra Costa	885
Fresno	1,389

#### California Community Colleges Chancellor's Office (CCCCO)

- Sixty (60) colleges are fully or mostly transitioning to online instruction. A few colleges are suspending classes for 2- to 3-days to make the transition. A popular target date for colleges to complete the transition to broader online access is March 18, 2020. Colleges are leveraging spring break to make this transition.
- Established a website for COVID-19
  - <https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Communications-and-Marketing/Novel-Coronavirus>

#### University of California System (UC)

- UC has established a website that compiles public info at <https://ucnet.universityofcalifornia.edu/news/2020/01/ucs-response-to-coronavirus.html>
- No UC campuses are closed and all have transitioned to remote instruction for classes beginning March 11, 2020.
- Campuses remain open for research operations and essential services. Some athletic events continue without spectators.
- UC campuses with EOC activations:
  - UC System HQ, UC San Francisco

#### California State University System (CSU)

- Established a website at <https://www2.calstate.edu/coronavirus/>
- Campus continuity plans are focused on transitioning instruction to alternative modalities, while other campus operations including housing and dining are continuing.
- Twenty-two (22) campuses have planned for "virtual instruction". Campuses are considering exceptions for specific courses that they believe virtual instruction would not be effective. Decisions are made at the individual campus locations.
- CSU campuses with EOC activations:
  - Long Beach, Monterey, Stanislaus, Humboldt, North Ridge
